ART HANDLING GUIDE

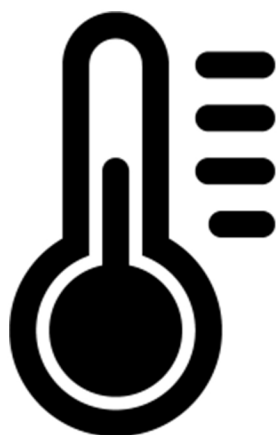

Please use both hands.
Carry artwork by the frame at both sides.

Do not carry it by the wire or hardware,
and never carry artwork upside down.

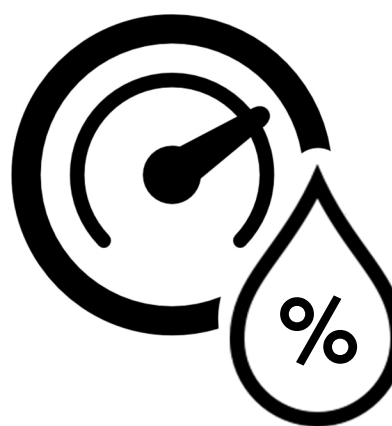

Never hang or place artwork in direct sunlight.

Sunlight is very harmful to artwork
and can cause fading and deterioration.

Changes in temperature can be harmful to artwork.

Do not hang artwork near sources of heat
(such as heaters) or cold (such as air conditioners).

Humidity and moisture can damage artwork.

Do not hang artwork near sources of humidity
(such as in bathrooms) and never take the artwork
outside in wet weather.
